other than land which, by reason of any condition or covenant in the title thereto or any limitation imposed by law, is subject to the restriction that it may not be used for agriculture or to the requirement that it shall be used for a non-agricultural purpose;

“board” means a land control board, a provincial land control appeals board or the Central Land Control Appeals Board;

PART II - ESTABLISHMENT OF LAND CONTROL AREAS AND BOARDS

3. The Minister may, by notice in the Gazette, apply this Act to any area, if he considers it expedient to do so. Application of control.

4. The Minister may, by notice in the Gazette, divide a land control area into two or more divisions, if he considers it expedient to do so. Establishment of divisions.

Establishment of land control boards.

5. (1) The Minister shall, by notice in the Gazette, establish a land control board for every land control area or, where it is divided into divisions, for each division.

(2) The membership of a land control board shall be as provided in paragraph 1 of the Schedule.

PART III - CONTROL OF DEALINGS IN AGRICULTURAL LAND

Transactions affecting agricultural land.
13 of 1980, Sch.

6. (1) Each of the following transactions -

- (a) the sale, transfer, lease, mortgage, exchange, partition or other disposal of or dealing with any agricultural land which is situated within a land control area;
- (b) the division of any such agricultural land into two or more parcels to be held under separate titles, other than the division of an area of less than twenty acres into plots in an area to which the Development and Use of Land (Planning) Regulations, 1961 for the time being apply;
- (c) the issue, sale, transfer, mortgage or any other disposal of or dealing with any share in a private company or co-operative society which for the time being owns agricultural land situated within a land control area,

L.N. 516/1961.

is void for all purposes unless the land control board for the land control area or division in which the land is situated has given its consent in respect of that transaction in accordance with this Act.

(2) For the avoidance of doubt it is declared that the declaration of a trust of agricultural land situated within a land control area is a dealing in that land for the purposes of subsection (1).

(3) This section does not apply to -

- (a) the transmission of land by virtue of the will or intestacy of a deceased person, unless that transmission would result in the division of the land into two or more parcels to be held under separate titles; or
- (b) a transaction to which the Government or the Settlement Fund Trustees or (in respect of Trust land) a county council is a party.

7. If any money or other valuable consideration has been paid in the course of a controlled transaction that becomes void under this Act, that money or consideration shall be recoverable as a debt by the person who paid it from the person to whom it was paid, but without prejudice to section 22.

Recovery of consideration.
13 of 1980, Sch.

8. (1) An application for consent in respect of a controlled transaction shall be made in the prescribed form to the appropriate land control board within six months of the making of the agreement for the controlled transaction by any party thereto:

Application for consent.
13 of 1980, Sch.

Provided that the High Court may, notwithstanding that the period of six months may have expired, extend that period where it considers that there is sufficient reason so to do, upon such conditions, if any, as it may think fit.

(2) The land control board shall either give or refuse its consent to the controlled transaction and, subject to any right of appeal conferred by this Act, its decision shall be final and conclusive and shall not be questioned in any court.

(3) For the purposes of subsection (1), an application shall be deemed to be made when it is delivered to the authority prescribed in the manner prescribed.

(4) An application under subsection (1) shall be valid notwithstanding that the agreement for the controlled transaction is reduced to writing, or drawn up in the form of a legal document, only after the application has been made.

9. (1) In deciding whether to grant or refuse consent in respect of a controlled transaction, a land control board shall-

Granting or refusal of consent.

(a) have regard to the effect which the grant or refusal of consent is likely to have on the economic development of the land concerned or on the maintenance or improvement of standards of good husbandry within the land control area;

36 of 1968, s. 32,
13 of 1980, Sch.,
22 of 1987, Sch.

(b) act on the principle that consent ought generally to be refused where -

(i) the person to whom the land is to be disposed of -

(a) is unlikely to farm the land well or to develop it adequately; or

(b) is unlikely to be able to use the land profitably for the intended purpose owing to its nature; or

(c) already has sufficient agricultural land; or

(ii) the person to whom the share is to be disposed of -

(a) already has sufficient shares in a private company or co-operative society owning agricultural land; or

(b) would, by acquiring the share, be likely to bring about the transfer of the control of the company or society from one person to another and the transfer would be likely to lower the standards of good husbandry on the land; or

(iii) the terms and conditions of the transaction (including the price to be paid) are markedly unfair or disadvantageous to one of the parties to the transaction; or

(iv) in the case of the division of land into two or more parcels, the division would be likely to reduce the productivity of the land;

(c) refuse consent in any case in which the land or share is to be disposed of by way of sale, transfer, lease, exchange or partition to a person who is not -

(i) a citizen of Kenya; or

(ii) a private company or co-operative society all of whose members are citizens of Kenya; or

Cap. 287.

(iii) group representatives incorporated under the Land (Group Representatives) Act; or

Cap. 446.

(iv) a state corporation within the meaning of the State Corporation Act.

(2) Where an application for the consent of a land control board has been refused, then the agreement for a controlled transaction shall become void -

(a) on the expiry of the time limited for appeal under section 11; or

(b) where an appeal is entered under section 11 and dismissed, on the expiry of the time limited for appeal under section 13; or

- (c) where a further appeal is entered under section 13 and dismissed, on that dismissal.

PART IV - APPEALS BOARDS

Appeal to provincial land control appeals board.

(2) A provincial land control appeals board shall, in its absolute discretion, hear and determine all appeals made to it under subsection (1), and, subject to the right of appeal conferred by section 13, the decision of a provincial land control appeals board shall be final and conclusive and shall not be questioned in any court.
